Building Clean-out

Construction in the lower two floors of Founders Hall is set to begin soon. As a first step, we will be removing all stored items from the lower floors.

Those items that are properly tagged and identified by a member or Church group will be moved to off-site storage. All other items will be discarded. If you are aware of items that need to be stored that are now currently stored in the lower floors, please plan to tag those items for storage.

The lower floors will be opened for tagging on Saturday, September 11 from 10 am to 12 pm and after the 10 am service on September 12. Items can also be tagged on the September 18 before they are moved to storage. Directions for tagging items using specially purchased tags will be provided on the days the lower floors are open.

Transept Pews Available to Good Home

When construction in the Sanctuary is completed, the pews in the Transept will no longer be in use. If you know a place that can provide them a good home, please notify the Church Office.
